

Privacy and cookies policy

Danceart Projects. Looking after the personal data you share with us is a hugely important part of our service. We want you to be confident that your data is safe and secure with us, and that you understand how we use it to offer to you a more personalised creative experience.

We are committed to doing the right thing when it comes to how we collect, use and protect your personal data. That's why we've developed this privacy and cookies policy ("Policy"), which:

- Sets out the different ways you interact with us and the types of personal data that we collect
- explains the reasons why we use the data we collect
- explains the rights and choices you have when it comes to your personal data

ANALYTICS

This website collects personal data to network and to power our site analytics, including:

Information about your browser, network and device.

Your IP address.

This Policy also applies if you contact us or we contact you about our Services.

This information may also include details about your use of this website, including:

Clicks.

Internal links.

Pages visited.

Scrolling.

Searches.

Timestamps.

We offer a wide range of services, so we want you to be clear about what this Policy covers. This Policy applies to you if you use our services (referred to in this Policy as “our Services”).

- Our Services.

Commission with us over the phone, online using our website or mobile applications

This Policy also applies if you contact us or we contact you about our Services

Online media channels.

- Our Websites or Mobile Apps may contain links to other websites operated by other organisations that have their own privacy policies. Please make sure you read the terms and conditions and privacy policy carefully before providing any personal data on a website as we do not accept any responsibility or liability for websites of other organisations.
- Online media channels include websites, social media sites, and any other channels that become available to us.
- Aggregated data
We try and remove personal data we do not need. If we remove enough personal data it becomes anonymous. This means that you cannot be identified.
- Technical data
This is information about your video and creative contents, assets

management and accessibility and transfers. This could be information that identifies your device platform, it's operating system, internet address, your login data; browser and plug-ins; location; where you came to our site from and where you leave to as well as how often you visit. If you use our membership profile we will collect information about where and what projects, rushes and film video content we are working on or have worked on.

- User data

This is information collected about you as a member and clientele and services more generally (compared to other types of data that relate to you directly for us to deliver our specific service to you). This may include where you engage with us in a survey, provide feedback on our work as per your brief and delivery.

- Interaction data

This is information about how you interact with our services, namely what you click on and interact with on our sites and app.

- Marketing and communications data

This is your marketing preferences and also your interaction with online marketing to be able to judge its effectiveness

COOKIES

This website uses cookies and similar technologies, which are small files or pieces of text that download to a device when a visitor accesses a website or app. For information about viewing the cookies dropped on your device, visit <https://support.wix.com/en/article/cookies-and-your-wix-site-uses>.

These functional support <https://support.wix.com/en/search?term=cookies>, which allow WIX, our hosting platform, to securely serve this website to you.

<https://support.wix.com/en/article/about-tracking-tools-analytics> are used on this site, as described above, only when you acknowledge our cookie banner.

We use analytics cookies to view site traffic, activity, and other data.
